NICOLE ANISTON

Ramon met Nicole in person at the polo club. He said she's so hot in her movies and looks even better in person. They connected at the lounge and later, as the crowd cleared out, she said she wanted to take him for a ride, a long hard ride. His rigid cock was ready. And so was her pussy and her warm mouth, which was ready for his liquid love.

RANDY MOORE

It's another hot day in L.A. and Randy needs to cool off. A cold shower leaves her nice and wet as she runs both the spray and her hands all over her supple body. Her breasts jiggle delightfully as she rubs them down. Bringing the nozzle for the sprayer between her legs, she uses it to please her bald pussy while she fininally cools down.

SEAMAN'S SINS

A week in port turns into a nonstop sexfest with three horny sluts

As a ship's officer I have found it necessary to have other women to take the place of my wife for my sexual needs while at sea. I should mention that I love my wife. And whatever I chose to do when I am away is purely for sexual relief.

As a seasoned seaman, my usual method of sexual release is jerking off. I have always been a bit of a voyeur, so at the port where we mostly stay there are several strip clubs. I don't really dig those places, as they are generally filled with guys drooling over the dancers. But a few daytime excursions led me to discover that these bars open at 11 in the morning and after the lunchtime crowd leaves, about 1:30, they're empty until late afternoon.

I soon found a lounge which became my hideaway. I was sitting at my table and, since nobody else was around, I started to secretly jerk off under the table, my cock "dressed" in a condom. I was most embarrassed when someone tapped me on the shoulder.

I looked up to see the woman that manages the lounge smiling at me. She told me that for a small fee I could sit in the cubicle right below the dance, and as it was all walled in I would not be disturbed. I was dismayed at having been so obvious at being spotted so quickly, so I paid for a cubicle.

The cubicle was totally private from the rest of the audience but what I didn't realize was that the stripper had a perfect view of me as I masturbated. It turned out the girls like a man to masturbate when they danced, as it was a compliment. They liked me even more than most guys because I left good tips and always invited the girl who made me come to have a couple of drinks. I went to my lounge every day and became very popular. My favorite girl was Margot. Even though she was my prime sex object, I treated the other girls to drinks as well.

Margot was a funny girl. She was a part-time prostitute but she did not try to get a hold on me. Finally I was able to get her to go out with me for dinner. We became friends. I rented a car to take her out to dinner and on the way back to her home she said I could stop at a remote place and get my "horns down," as she called it. She had already referred to me as a "jerker."

She told me to help myself and lifted her skirt, showing that she did not wear any panties. (That she thought I was hooked on masturbation is not surprising, as that is all she had seen me do.) I managed, however, to get her to dance for me at her place and when she stripped, I jumped her. One thing she liked was during her dancing I revealed one of my "hookups": ladies' underwear and stockings under my regular clothes. But I proved to Margot that I was a fucking man. And then I met Dolores.

Margot told me they had gotten a new stripper from New York who I just had to watch. According to Margot, the new girl was really something for me. I paid the boss the usual fee and sat down in the cubicle while Margot went in to change before her dance. I don't think I am easily shocked but it was a minute later when this chick came into my place. I remember I just got up on my feet and I started to shake. And no wonder.

I am 6'1". I am not fat but I am considered to be among the strong men. As a ship's officer I would command my crew around. I knew right away that Dolores was my superior in strength and willpower. She is an inch

shorter than me, but her high heels more than made up for it. She is not fat at all but I knew when I saw her that her weight was more than mine. Dolores is 35 years old and black as ebony.

Dolores is proportionally perfect. The thing which makes guys go gaga over her is that she is so big. Tits, ass, thighs and legs are superb—and big! She is just awesome! She is a former champion wrestler and stronger than any almost any dude I ever have met. I know I am pretty strong myself and have tried to wrestle her, but I am just like a kid in her immense grip. And I am proud to say that I'd do anything for her. For a big blond-haired ship's officer to admit to being the bitch of a female who not only is black but also a full-fledged lesbian is something in itself.

I must say that during the time I have known Dolores I have become somewhat more perverse. In my mind I love things which I considered before to be what only freak would enjoy. It's amazing how your outlook on life can really change in a short time. And now I will tell you what happened on the day in question…

I undressed and put on the usual outfit I always wear when I am at Dolores' place. It was Sunday and the bar was closed. The ladies' panties smelled beautiful from the perfume that Dolores always soaked them with before I put them on. Her dark nylons and garter belt fit me like a glove, and when I took on the crotch-less underwear my cock was already at half-mast. The opening in the bottom is exactly big enough to leave my cock and balls fully visible.

Dolores helped me to put on the bra, and after she had put in the false cups it looked like I had two firm, ripe tits! After I had on the high-heeled shoes she started on the makeup. Finally she put on the wig with the long, black hair, and when I looked in the mirror I was really looking like a sexy she-male. The only thing which gave me away was the presence of my large and hard cock. Then I put on a sexy, see-through black robe I had just bought her.

Dolores was pleased with my look; she gave me a scotch and water and told me to sit and wait until she came back. I was very excited as to what would happen. Margot and Dolores had something sexual between them. The other visitor, Marlene, I had just met for a few minutes the day before. Dolores was in love with her but the young girl did not seem to go too much after lesbian love. However, Margot had given her some hints about a party at Dolores' place and had told her about my being present, and she was all for coming and to have her kicks from seeing me.

A few minutes later I heard the doorbell and then Margot's laughter and the sound of the young girl, the target of my mistress—and the reason for this small party. Dolores had nicknamed me when I was cross-dressing "Bella," and so now Margot laughed and called, "Come Bella, let us have a look at you." I was a bit surprised to find that my cock had softened and was hanging down when I took the tray and opened the door. Perhaps the pretty young thing, who never had seen me like this, was the reason for my embarrassment.

The see-through nylon gown did not hide the ladies' underwear I had on, and neither did it obstruct the view of my long, thick cock which hung down between my thighs. As usual when seeing me like this, Margot screamed with laughter. And then she turned toward the beautiful girl beside her and said, "Isn't she beautiful?"

The young girl did not reply but stared at me with her big eyes wide open. I was unable to determine whether she despised me or desired me. I saw a cute smile form on her lips when she again looked down on my cock.

And it did not hang dormant for long when I turned around and offered a drink to Margot. When taking the glass with one hand, her other hand went in under my gown and started to tickle my cockhead, which reacted quite quickly. "Look at that snake uncoiling itself," she laughed and all three of them gasped as my growing erection sprang to life.

I could see Dolores watching the young girl's reaction, wondering if she should wait until she had more drinks before trying to seduce her.

But at that moment the action was concentrated between the big-busted Margot and me. My cock was now straining at the bit as the woman who first had me hooked on her started to unbutton her blouse. She knew my penchant for her breasts well enough. Margot had been amazed over how fast Dolores had ensnared me and how strongly she had me hooked. She had told me that if she had known how easily I could have been

subjugated to a woman, she would have taken me on instead of giving me over to Dolores.

After all, Dolores was a full-on lesbian and had never let me fuck her; Margot on the other hand, enjoys a fuck as much as she likes a lesbian encounter. She would probably not had had the grip on me as the big woman who often gave me admittance to her extremely large and open pussy but only for the touch of my lips and tongue. I had never met a woman as hooked on cunnilingus as Dolores. I sat down on the sofa beside Margot and started to pay homage to those amazingly large and firm breasts. I worked on one at a time taking the melon-sized mammaries in my hands—first the left, and while kneading it firmly I caught the grape-sized nipple in my mouth and sucked it.

Ever since I first met her, one of my most pleasurable moments is when feeling how her nipples grow and harden between my sucking lips. When I let go of the left breast and concentrated on the right, the nipple was swelling so it looked as if it was ready to burst.

I heard Margot's heaving breath and knew that she was becoming immensely horny from my breast treatment and her arms went around my neck. And when she shoved my head down, I placed myself on my knees between her open legs. When I planted a kiss on her pussy lips she was soaking wet.

I love eating pussy. I have in the last 10 years indulged in it and have tasted scores of lovely women. I ran my tongue over her clitoris and pink inner lips before penetrating her love tunnel.

I barely noticed Dolores sitting close beside the young girl, Elaine; they were both watching my licking and lapping performance of Margot's vaginal area. When I glanced up for a moment, I saw Dolores' hand cupping Elaine's jutting breast and knew that she was advancing nicely toward her goal.

Then Margot started to orgasm and her juices came flowing out of her. I then got busy scooping her liquid honey into my mouth with my tongue. Among all the women I have licked, Margot and Dolores are outstanding in the way they juice. I am not kidding when stating that I "drink" them, especially Margot.

I had Margot in heaven but I started to tire and paused for a moment. And then I saw that my performance on Margot had the hoped-for effect on Elaine. She and Dolores were involved in a hot kiss and I saw my mistress's arm under the young girl's skirt without being restrained. As I looked at them I saw Elaine's hand start caressing Dolores's large, round and soft breasts.

Margot was lying back with her eyes closed and moaning loudly. I knew from experience that her pussy lips were very sensitive. When I went down on her again I softly licked them and could feel the whole body of the woman shake as soon as I touched her. Dolores said something to Elaine and I noticed the two get up and disappear into the bedroom and close the door.

Margot pushed my head off her lap. She happily announced that I had emptied her. When she saw my hard cock standing out she told me to go ahead and jerk off. When I hesitated she mentioned that I did not have to worry about the other two, they had plenty enough excitement at the moment.

"I was so dumb not to take you as my own, but I know that Dolores "owns" you now and that I cannot change it. But remember, in case she should let you go you will come to me, right?"

I promised but thought to myself that I hoped that 'my lady,' as I had been instructed to call her in private, never would tire of me.

When the two lovers finally came out from the bedroom I knew from seeing Dolores's satisfied smile that Elaine had been won over. I was pleased; perhaps if Dolores takes her into her house, as she plans to do, I may also get to experience some pleasure from the beautiful young girl.

All three of them sat on the sofa while I posed nude in front of them. I was certain Elaine is bisexual from the way she looked at my stiff cock; she did not hesitate when Dolores permitted her to use her hand on me.

Dolores held a towel under my cock while the young girl stroked me and seconds later I had one of the strongest orgasms ever. After the two guests had left, Dolores and I went to bed and the next morning I left my mistress very satisfied with my performance during the night.

When I go on leave next time, I am going to stay with Dolores for a while before going home. I hope Elaine will be there as well. That's when my ship really comes in.

Had a hot experience? So turn us on!

PUSSY PLAYMATE

There's a guy I date named Jeremy, and I've always given him whatever he asks for in bed. The only thing I've ever denied him is another girl to play with—until now! Jeremy has been giving my pussy a lot of attention and pampering, so I decided to give him the ultimate reward, and he immediately picked up sex kitten, Cheryl, in a bar one night.

When my guy walked into the bedroom, he found the two of us lying on the bed in stockings, garters and lacy underwear—stroking each other all over. His reaction was immediate and obvious—from the grin on his face to the bulge in his pants. Cheryl crawled across the bed towards the rapidly swelling stiffy in Jeremy's jeans—unleashing his dick. She slipped it between her red lips and jacked the base of his shaft with one hand, while fingering her pussy with the other.

"Jeremy blasted his spunk up Cheryl's pussy, and I came hard, her tongue in my cunt..."

I urged her on, telling her to: "Suck harder and deeper," though the dirty, little slut needed no encouragement. Seeing Jeremy so excited was a real turn-on for me, and I fingered my pussy hard as I watched her suck him. I can't resist his cock when I get horny—so I leaned over, and Cheryl fed it into my mouth so I could have a taste. We swapped his prick back and forth between us, and then I took him all the way down my throat. Cheryl started sucking Jeremy's balls while he fucked my face, and in a couple of minutes—I felt the pulsing in his pecker that told me to expect his cum blast. When it came, I swallowed what I could, and then Cheryl cleaned up the rest while I rubbed myself to a frothy finish.

When Cheryl saw me masturbating, she said she wanted to taste my pussy; so she began to lap at my smooth, shaven lips. Jeremy was so aroused at the sight, that he got hard again and moved behind her to slide his long shaft into her wet hole. I've never been more excited while I watched my guy screw the first woman to suck my snatch. After a lovely period of incredible pleasure, Jeremy blasted his hot spunk up Cheryl's slippery pussy, and I came hard with her tongue in my cunt. We've invited her back next weekend, and I plan to have my first taste of another girl's pussy while Jeremy fucks me. Now, I'm thinking maybe we should ask another guy to join us for a foursome!

BRAVO FOR BIBI

I've never written to *Club* before, but after spending the week jacking off over BiBi Jones, I had to tell you all how fantastic she made me feel. BiBi's gorgeous, with the most piercing blue eyes I've ever seen—but I really loved the way she spread her pussy lips wide open so we could see her juicy, pink cunt in all its glory. It's so clear, that I can almost taste it, and imagine myself doing just that. First, I would push her legs back to access her beautiful honeypot with my tongue, and sample her tangy flavor. BiBi would then grind my face into her hot, wet snatch while she rubs her clit all over my face. I would continue to suck on her pussy for hours—lying between her legs as she rubs my stiff cock with her feet, until I explode all over her soles as she squirts on my lips. ***"Lip Service" – Delaware***

I've never had sex with another woman, though I do occasionally find myself moistening up over the incredibly hot girls you put in your mag. This time, I met my match, because I went fucking frig crazy over the photos of BiBi Jones in the March issue. She's so unbelievably cute, that she looks more like a fresh, college coed than a porn star; and I think that's part of her appeal for me. To see her spread across your centerfold was incredibly erotic, and she inspired me to grab my biggest vibe and work my pussy over good! I took that big, fat toy and buzzed it around my snatch before shoving it in my wet hole—fucking myself hard, and turning it on high until it rocked my world. Feeling the effects of Miss Jones, I think maybe I'm ready to try bi—so, please ask her if she'll give me a few lessons? ***"Slit Student" – Iowa***

TRAIN TRICKS

After dinner at a friend's house, I was riding the train home with my live-in girlfriend, Linda—who's sexy and adventurous. She knew I had a fantasy about fucking on a train, and there were no other passengers in the car, so she started teasing me by talking dirty. Linda's a hot girl, and she knows how to turn me on, so she really amped it up by getting more and more explicit. That's all it took for my cock to start twitching, so I pulled it out and starting rubbing it. When Linda hitched up her skirt to flash her panties—my dick was oozing scads of pre-cum, and I knew this was looking good for my fantasy fuck.

I pulled at her panties to the side, and rubbed her clit with one hand, while jacking myself off with the other. She was soaking wet and dripping—staining the seat between her legs. I can tell from her face that she was even more excited by the risk of getting caught. Linda knelt before me and licked the head of my cock—then took the full length to the back of her throat—wrapping her lips around the shaft. She paused for a second to pull out her tits so I could watch her generous breasts heaving as she worked over my tool.

"I threw my head back and groaned aloud as I filled her with my creamy load..."

This unexpected and exciting treat felt amazing, but I was ready to sink my rock-hard cock into her cunt, and after a few more minutes, I pulled her up off her knees. Bending her over the seat, I stripped off her panties and teased her slit with the head of my dick—lubing it up before easing it into her pussy. I stroked slowly at first, but when Linda began to push back against me—I slammed it in deeply, as she gasped and begged for more. I fucked her ass harder and faster, until she exploded with waves of pleasure that I felt ripple through her body. Her snatch gripped my dick tightly as she came, and I threw my head back and groaned aloud as I filled her with my creamy load, with only a few, short strokes.

I'd barely pulled out of her when we were pulling into the station. We quickly got ourselves together and took a cab home—rubbing each other up all the way. We had such a good time, that we're already planning our next train ride, and we don't even care where it goes! ***"Raunchy Ride" - Massachusetts***

SCREW REVIEW

Some guys are such show offs! I just read your year in review feature, and Axel Braun is the undisputed "King of Parody Porn Production," that's for sure. It's clear when the "Hot off the Press" raves about one movie that is barely out, when soon enough, Braun is releasing a new fuck flick. It's only a matter of time before he starts collecting awards come award season. Not only does he outdo everyone else, but he keeps outdoing *himself*! I thought *Batman XXX* was fantastic, and in addition to the hot sex, I loved the attention to detail—especially the corny stuff like colorful onomatopoeias like "KAPOW!" However, the planets really aligned when Allie Haze became a Vivid girl, and Braun cast her as Princess Leia in *Star Wars XXX*. Everybody wanted to lay Leia, and in the XXX version, what's even better than seeing Allie wear the gold bikini, is the fact that she takes it off! ***"Duly Impressed" - Kansas***

Man, it was great to see so many of my favorite stars and movies mentioned as the "Best of the Year," because it makes me feel as if I'm picking the cream of the crop, and let me tell you, I've got good taste in porn! I fell in love with Inari Vachs the first time around, and was thrilled to see her return with a big bang—but of course, that "big bang" is one of the things I love about Inari! Tori Black is another gorgeous favorite who's also a scorching performer, and just the thought of seeing her together with Vachs gives me a raging boner. While we're on this road, you could throw in two or three guys, and those girls would eat them alive. Honestly, I'd give anything to be one of those guys! Also, as a wrestling fan, I was happy Chyna went all in and got down in a fuck flick. Yep, it was a pretty good year, and I can't wait to see what's next! ***"High Expectations" - South Carolina***

SLICK LICKERS

I'm a horny, bisexual babe, and my girlfriend, Lily, is a total bitch in heat. We love to make each other cum using our fingers, tongues, or one of the many sex toys we've collected—and our favorite is a double-ended dildo shaped like two big cocks.

We took a short holiday recently, and when I returned to our room one night after arranging a next day tour—I found Lily in the middle of shaving her bush to surprise me. I keep my beaver permanently shaved, and I love the feel of Lily's rough pubes against my naked skin—though we had often wondered what it would be like if she shaved hers, too. When we fuck using the double dildo, we take the rubber cocks as deeply as we can into our twats, then grind around so our lips rub together.

Watching her shave was making me incredibly horny. She kept rubbing the shaving foam into her gash, as well as her hairy mound and lips—churning it up with her cooze cream into a thick, sticky froth. She pulled her skin taut, and each sweep of the razor revealed more of her pale mound and deep pink lips, so when she finished—I was ready to dive in. Her clit was swollen and coated with juices, but when I went to give it a suck, she told me to fetch the dildo—and that's when we realized neither of us had packed it!

"When she sucked my pussy—she got a mouthful of her own cunt juice..."

We lay on the bed and locked our legs together snatch-to-snatch—just like we did with our double duty toy. Then, we started mashing our crotches together really hard—with our cream mashing together. Lily started whimpering with pleasure almost immediately—her pussy lips felt like silk against mine, and would have been sensitized more by the shaving.

The sensation was concentrated on our clits—sending shock through our cunts as we slammed together. Lily was impatient to cum, and I felt her squeeze her hand in between us so she could give her clit—and mine—even more stimulation. Suddenly, she bucked a couple of times, and then, to my amazement—I felt a hot, liquid rush in my pussy, and I realized it was Lily—she'd squirted right into my cunt as though she had jizzed!

She didn't believe me at first, but when she clamped her mouth over my pussy and sucked—she got a mouthful of her own cunt juice. She then carried on sucking and tonguing me until she got another wet load—from my snatch this time—right down her throat. Needless to say, we didn't miss the dildo at all that night! ***"Cooze Crazy" – West Virginia*** ♣

DRAKE TAKES THE CAKE

She's beautiful, talented, classy, sexy, smart, articulate, and damn exciting to watch in action! I'm talking about my favorite performer of all time—Miss jessica drake—and I thank you for the latest interview. When jessica first got into the business more than ten years ago, she made an impression on me—one that's not only lasted, but also grown—much as she has in the past decade. Her passion and enthusiasm for everything she does makes it all that much better—whether it's: Performing, writing, or directing; though I'd be happy if all she did was fuck on film, because that's when I really reap the benefit of her talent. I love that she's both a lady and a tramp, because it makes her a total turn-on to me—both mentally and physically, and she constantly pushes herself sexually—making her the ideal performer. The best thing about Jessica drake is...everything! ***"Fan-tastic" – Arizona***

It's nice to see the gorgeous and talented, jessica drake, get some coverage in your magazine without getting MILF'ed, because she's more than worthy of the attention without the label. Sure, she's been around for a while, but Dame drake is still sex on a stick—with style to boot! From the interview, I get the impression she'd be as comfortable in a boardroom as she is in the bedroom, and I'd be happy to put myself— and my cock—in her hands either place. Getting double drake this month with the interview, plus your feature on *Horizon*, doubled my pleasure—and thanks to you guys, I can't wait to see the movie. I envy the stud she's paired with, because if I were in a life or death situation—I can't think of a better way to spend whatever time is left than fucking jessica drake! Until then, I've got my fantasies and *Club*! ***"Joy for jessica" – Rhode Island*** ♣

SHOW AND TELL

In the six years we've been together, my wife and I have experimented with various sex partners.

We have an agreement that when we're forced to be separated, we are free to satisfy our basic biological urges. My job requires me to travel a lot and I'm happy knowing she isn't pursuing dick on the sly. With us it's all out in the open. In fact, we even tell each other about our various sexcapades.

When I returned home from a trip to Dallas last Wednesday, my wife was happy to see me. And she couldn't wait to tell me about the hung young stud she took home. "Naturally, I don't plan on seeing him again," she insisted. "Not when I can have your cock any time I want."

We sat down to dinner and she proceeded to tell me about her tryst. "So, I took some lotion from the bedstand and spread some on my buttcheeks working it into my crack and slipped a finger inside my but- thole. Then, I spread her legs, seemingly to give him better access. As my finger slid in and out, my hips moved encouraging him to go deeper. I moaned in frustration when I pulled my finger out.

He got up over me on the bed and put his cock in my butt and he could feel my hips rise up to meet it. He started slowly but my hormones kicked in and I started fucking him harder. Moaning sounds began to come out my mouth and my hips seemed to stay in his rhythm.

Then after one deep thrust, I wanted more. I worked myself onto my knees, offering my butt to my hot desire. He worked it some more as I reached between my legs and diddled myself into a screaming orgasm. Well as for him, he exploded deep in my butthole and collapsed on top of me."

Talk about making a man feel good! After dinner that night, we showered together and walked nude into the bedroom. I sat on the chair opposite the bed as she lay back, parting her legs and exposing her big, black-haired pussy. When I asked for more details about my stand-in, she smiled dreamily. "His cock was so big."

"Just the way you like them," I said. As she gave me a blow-by-blow description, my dick began to harden. She was excited too and her cunt started to ooze with her juices. When a few drops of her golden honey slid down the crack of her ass and dampened the sheets, I knew it was time to jump into bed—and into her.

But first she wanted to hear about my latest sex partner. A flight attendant, or so she said. "I had a layover in Dallas and decided to lay over in my hotel room. She wanted to do it all too: In the mouth, up the ass, the whole enchilada."

We went up to the room and dropped our bags. I had brought the wine and she brought the glasses, so we popped the cork and sat on the bed to get to know each other better. Things were a little stilted at first as it was a bit awkward having never met before but after a few glasses of wine and a lot of laughing things got much more comfortable. We changed out of our street clothes and headed back to the bed.

THINGS WERE A LITTLE BIT STILTED AT FIRST AS IT WAS A BIT AWKWARD HAVING NEVER MET BEFORE.

I was wearing a dress shirt and slacks and she was wearing a short dress which fitted tightly over her breasts. I remember catching my breath as she changed position and her legs opened and I could see that

she wasn't wearing any panties. I tell you I almost came right there and then and I was sure that she could tell that I was squirming a little and rubbing my throbbing cock.

I was trying hard to think of how to approach the subject of getting to know each other a little better when she just asked me if I liked to masturbate. What could I say but yes. I told her that I did it often, and having had a good few glasses of wine, I admitted that someone like her featured in a lot of my fantasies. She said she was quite flattered and was happy to be here with me.

She told me that she wanted me to lick her and then slid back on the bed, slipped off her dress and lay down on her back facing me exposing her pussy and asking if I wanted to watch her play with herself? I smiled and got closer, sitting on the edge of the bed just below her hips. She used both hands to rub her pussy and then she put a finger in her mouth and then inserted it into her vagina.

I went over to her and replaced her fingers with my cock. It was all I could do not to cum was I watched her. We started with a hot doggy position as I stuck a finger in her butt. She let me fuck her ass and we fucked that night for three hours straight before she had to go on her next flight. "

My wife was getting off on my story. She frigged herself to a near climax but urged me to finish her off with my mouth. When I dove for her, I lapped up her warm juices and chewed on her cherry clit to a roaring climax.

As I slid into her pussy and started to fuck her, I thought about how great it is to be able to fuck other women. But when she clamped her legs around my waist and screamed like an animal in heat, I felt even better. Home is where the heart is (and other things).

A BACK ROOM BANG

I'm 22 and just out of college. I was great outside linebacker with aspirations, no make that expectations, to go pro.

A pro team had expressed some interest in me, but I blew out my knee with three games to go in my senior year. With little hope for going pro, I moved to Chicago and because of my size, I was a natural fit to be a doorman at one of the nightclubs in the city. It's not what I went to college for but for now it helps pay the bills.

On my first night, I was shown the ropes by Chaz, the head of club security and he told me that 99% of the time it was all fun and 1% of the time it was all out chaos and to always keep my back to the wall. Other then that, there were no rules.

I started my first shift on door on a Tuesday night. It was A-Dollar-A-Shot night of vodka and I learned very quickly that vodka can make young ladies quite horny and loose. At least most of that was going to happen inside and not here.

I was having a great time scoping out the babes who were coming to the club. There was a narrow hallway that they had to go down before entering the main room in the club and they had to push themselves around me. In the process I had gotten feel after feel of rock hard titties. It wasn't my hands that were doing the touching, but a guy can learn to feel with his upper arms and elbows. After all, who needs to end up with sexual assault charges when you haven't even gotten closed to being laid?

The night was getting long and had turned to morning an hour ago. But the girls just kept coming. As the night went on, there was this cute girl there who kept trying to make small talk with me. She was dark and looked no older than twenty. She had a black party dress on and it came down deep in front revealing her ample breasts. She told me her name was Monique and that it was her first year in college. She was out with a few girlfriends blowing off some steam. She asked about myself and we had a brief conversation before she was dragged back onto the dance floor

SHE TOLD ME HER NAME WAS MONIQUE AND THAT IT WAS HER FIRST YEAR IN COLLEGE.

by her girlfriends.

It was now two in the morning and she had come back to me and wrapped her arms around me and I rested my hands above her ass. She was firm all over. I noticed that she had a high rise thong on and I was so turned on by her. She pressed her body against mine and said that she thought I was hot.

It was almost closing time and my new friend Monique came back and this time she was more affectionate. Kissing me, touching me and I was doing the same to her. I asked her to go into the store room. This is the room where we kept our beer supplies. I knew it would be a good hour minutes to an hour before the night crew would be restocking the bar so I had some time to take care of my friend.

She, of course, was very obliging to come with me to the room. We closed the door behind us and the cold air made her nipples stick out though her dress. I ran my hand up her stomach over her dress and cupped her breast. We kissed and I sat her up on some cases that were piled up. She opened her legs up slightly and I slid my hand up her thighs. They were silky smooth and her thongs were soaked through. I quickly found her pussy. I could tell it was just trimmed around the bikini line. I parted her lips and it was easy getting to her clit. I started to rub it with my finger. She started to breath heavier and moan.

Knowing time was limited, I pulled my finger down lower and found her opening. She tilted her body back. I then pulled her thong off and I started to lick her pussy. There is no description as to how pussy are supposed to taste, but if there was, hers would of been it. I used my tongue to lick her small clit and poked her pussy as well. In no time, she came right there. I thought the rest of the staff would take notice her very vocal climax but they didn't. When she calmed down she asked me to fuck her. She wanted to feel me inside of her.

I pulled my cock out and she stroked it. Precum was just pouring out and I lined it up against her pussy. I ran my thick cockhead against her clit and teased her opening. With that, I pushed my cockhead in. I pulled it out and popped it back in. Then she couldn't take no more and I slide my hard cock into her pussy.

I was balls deep against her ass. The expression on her face was like, 'Oh my fuck, what did I just do?' As I started to slowly fuck Monique, she started to come around and her breathing was beginning to pick up and she started to moan. She then started to wiggle her hips to the rhythm of my cock which is now hammering her pussy.

And now I was feeling the sensation of a building orgasm. I was going to cum soon and I wanted to make sure that she came as well. I didn't have to wait long. Before I knew it, she was cumming and with that I started to fuck harder and faster and made my self cum in sync with her. Her pussy knew how to handle the package of seed I was shooting inside of her. It felt like my cock was being milked by her pussy out of every drop of cum I had in me.

As we came down from our climax, we realized that we had evidence right out there that anyone could see. She stood up and looked down to find a stream of pussy juices and cum running down the boxes of beer and some had pooled up on the floor below us. I found a cloth and we wiped up our collective mess together. She put her panties back on, and I put mine on and zipped up, and we walked out of the back room.

IT FELT LIKE MY COCK WAS BEING MILKED BY HER PUSSY OUT OF EVERY DROP OF CUM I HAD IN ME.

She had to go with her girlfriends and I had to go help the club staff clean up. We did have our time together and it was fun. There have been others that I've connected with as a bouncer but I'll always remember my first, what's 'er name...
